User Management (Only for Admins)

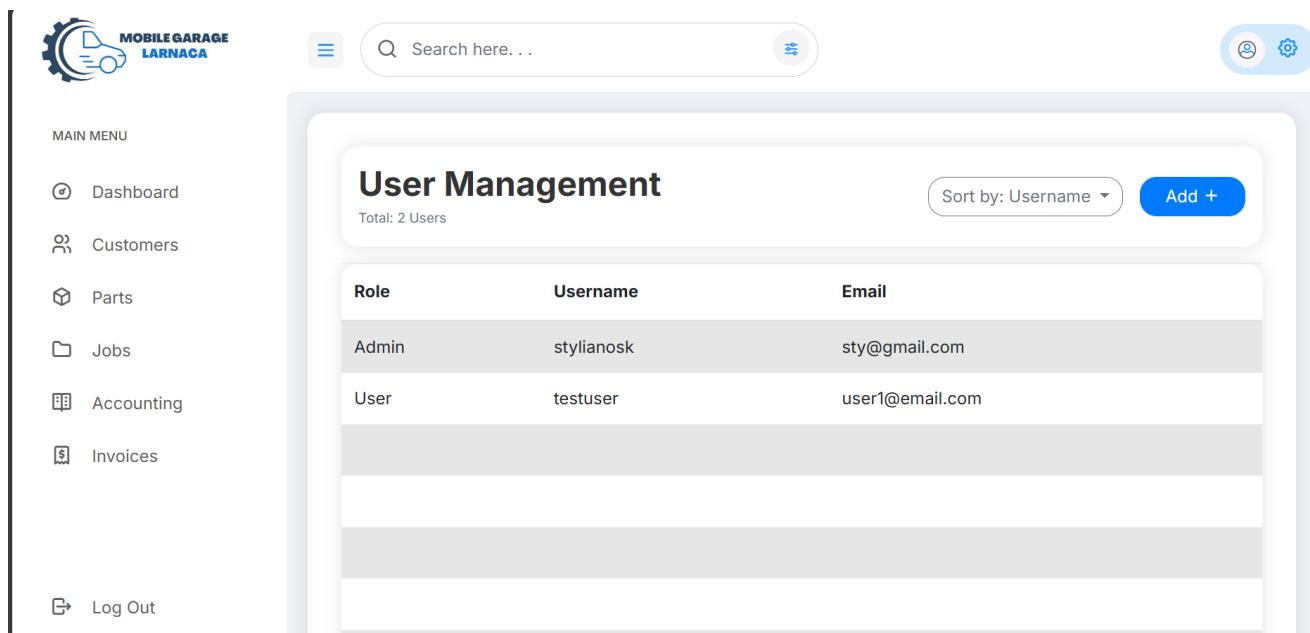

User management can only be accessed by admin accounts. To create more accounts for the system an admin needs to create it in user management. The admin will have access to the users data (except password), he will be able to edit (including the password) and delete the accounts.

1. The administrators can enter the user management by clicking on the user icon and selecting user management.

The screenshot shows the main dashboard of the Mobile Garage Larnaca software. On the left, there's a sidebar with a 'MAIN MENU' section containing links to Dashboard, Customers, Parts, Jobs, Accounting, Invoices, and Log Out. The 'Dashboard' link is currently selected, highlighted with a blue background. In the center, there's a 'Shortcuts' panel with links to Add Customer, Add Job Card, Add Part, and Add Invoice. Below that, there's a summary card showing 'New Net Income €8,245.00' with a note '↓ 0.5% from last week' and a 'Total Jobs' button. On the right, there's a calendar for April 2025. A red arrow points from the text above to the 'User Management' link in a dropdown menu that appears over the calendar. The dropdown also includes 'Backup and Restore' and 'Logout' options. The top right corner of the screen displays the 'MOBILE GARAGE LARNACA' logo and a search bar.

2. Once clicked you are redirected to this page, with a list of all registered accounts.

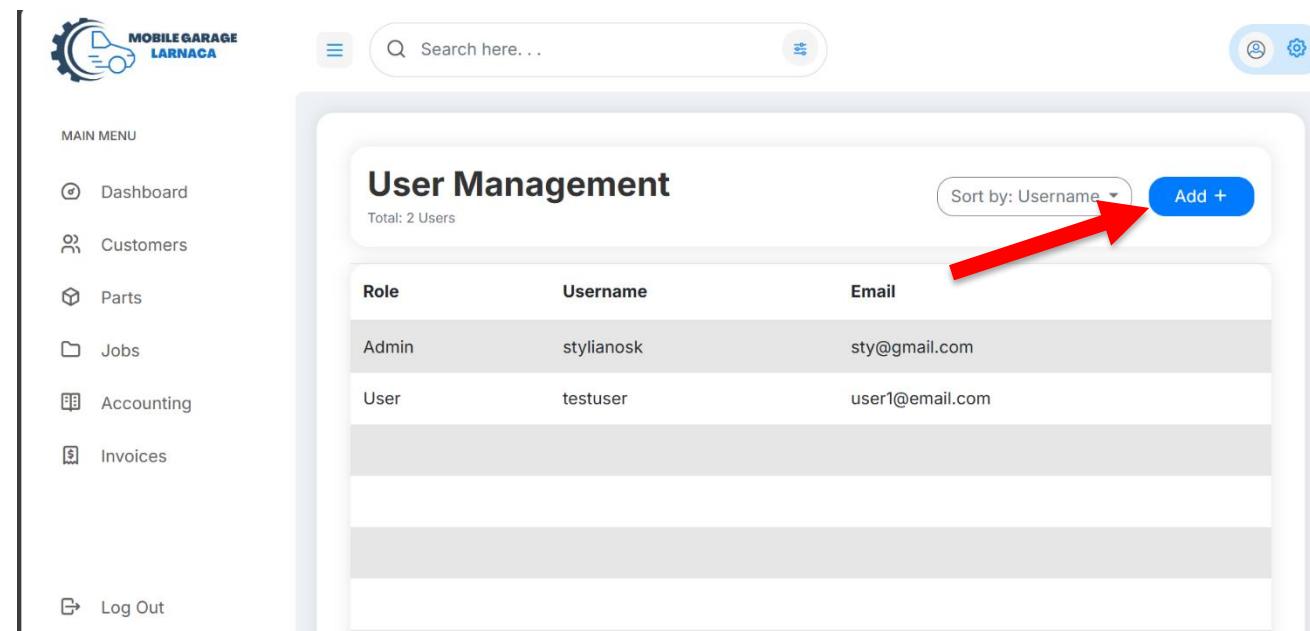

The screenshot shows the 'User Management' page with the following details:

- Header:** MOBILE GARAGE LARNACA, Search bar, Sort by: Username dropdown, Add + button.
- Table Headers:** Role, Username, Email.
- Data:**

Role	Username	Email
Admin	stylianosk	sty@gmail.com
User	testuser	user1@email.com
- Left Sidebar (Main Menu):** Dashboard, Customers, Parts, Jobs, Accounting, Invoices, Log Out.

Add User

1. To add a new user, click on “Add”

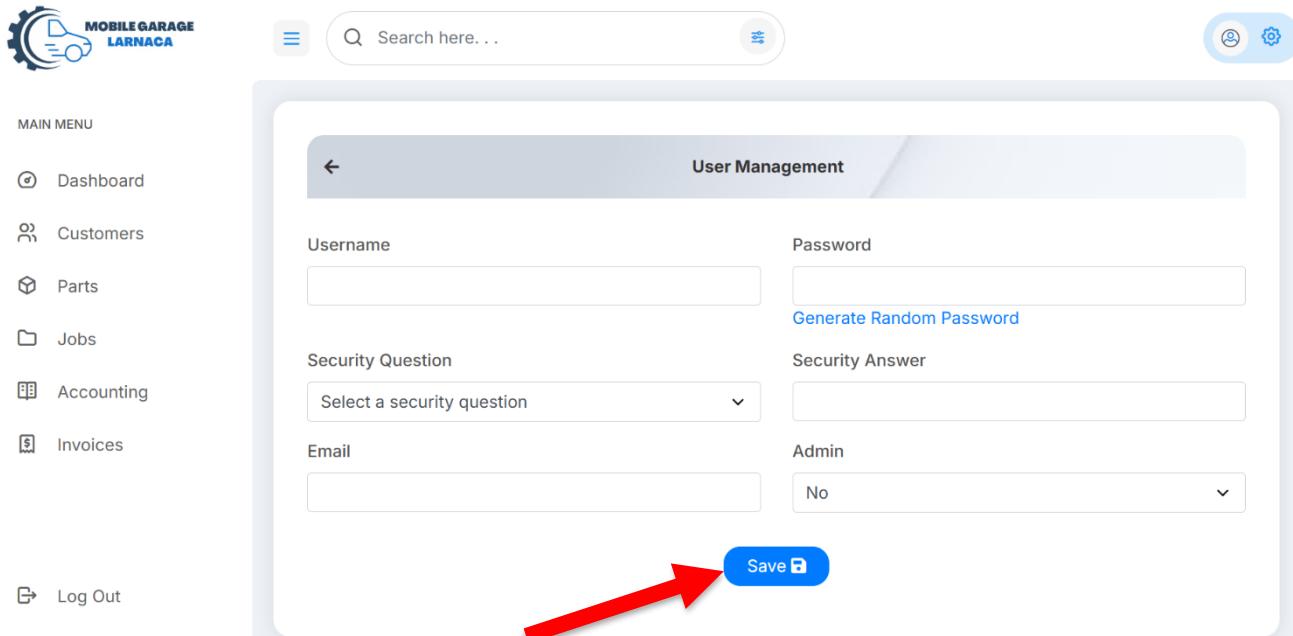

The screenshot shows the 'User Management' page with the following details, identical to the previous one but with a red arrow pointing to the 'Add +' button:

- Header:** MOBILE GARAGE LARNACA, Search bar, Sort by: Username dropdown, Add + button (highlighted with a red arrow).
- Table Headers:** Role, Username, Email.
- Data:**

Role	Username	Email
Admin	stylianosk	sty@gmail.com
User	testuser	user1@email.com
- Left Sidebar (Main Menu):** Dashboard, Customers, Parts, Jobs, Accounting, Invoices, Log Out.

2. Enter the new users Data in their respective fields. By clicking on Generate a random password you can use a system created password. The security question is for when Forgot Password is used. Click on “Save” to save the new user.

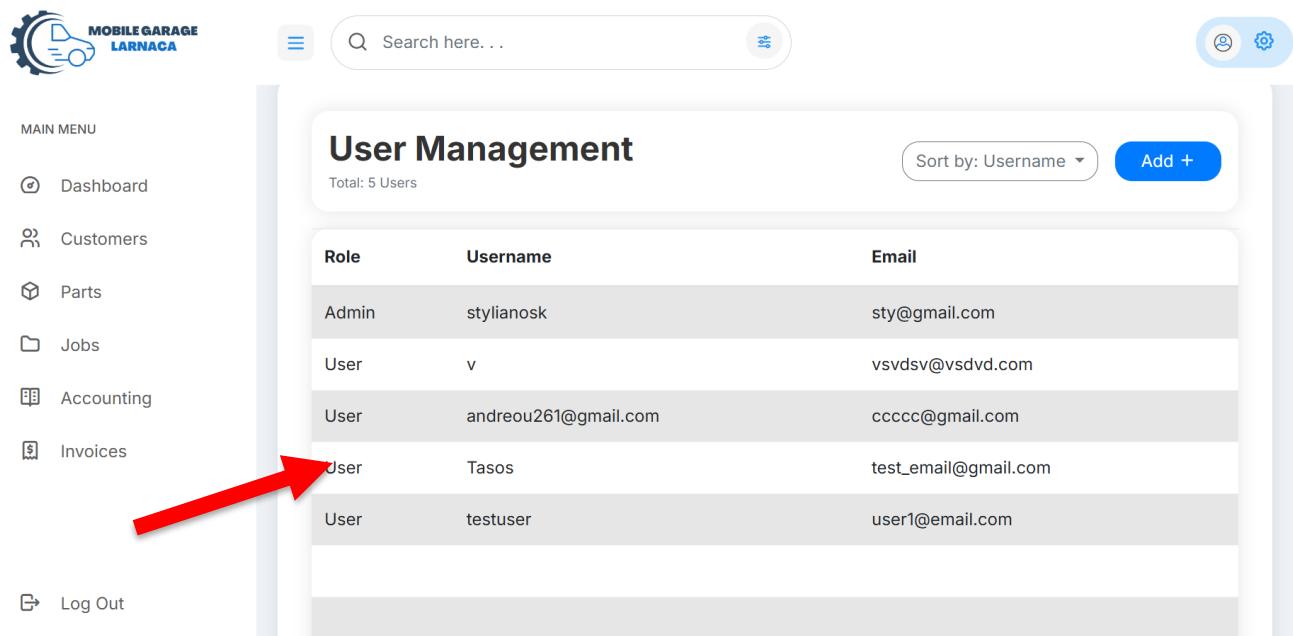

The screenshot shows the 'User Management' form. It includes fields for Username, Password, Security Question, Security Answer, Email, Admin status, and a 'Save' button. A red arrow points to the 'Save' button.

Field	Description
Username	Text input field for user login.
Password	Text input field for user password.
Security Question	Select a security question from a dropdown menu.
Security Answer	Text input field for the answer to the security question.
Email	Text input field for user email.

To sort your search, you can use the filter function next to the search bar, just click on it and choose your filter. To go to the next page of customers use the page numbers in the lower right corner.

3. Next a modal like this will appear (the exact look of the modal depends on the browser you are using). Select your settings and press “Print”.

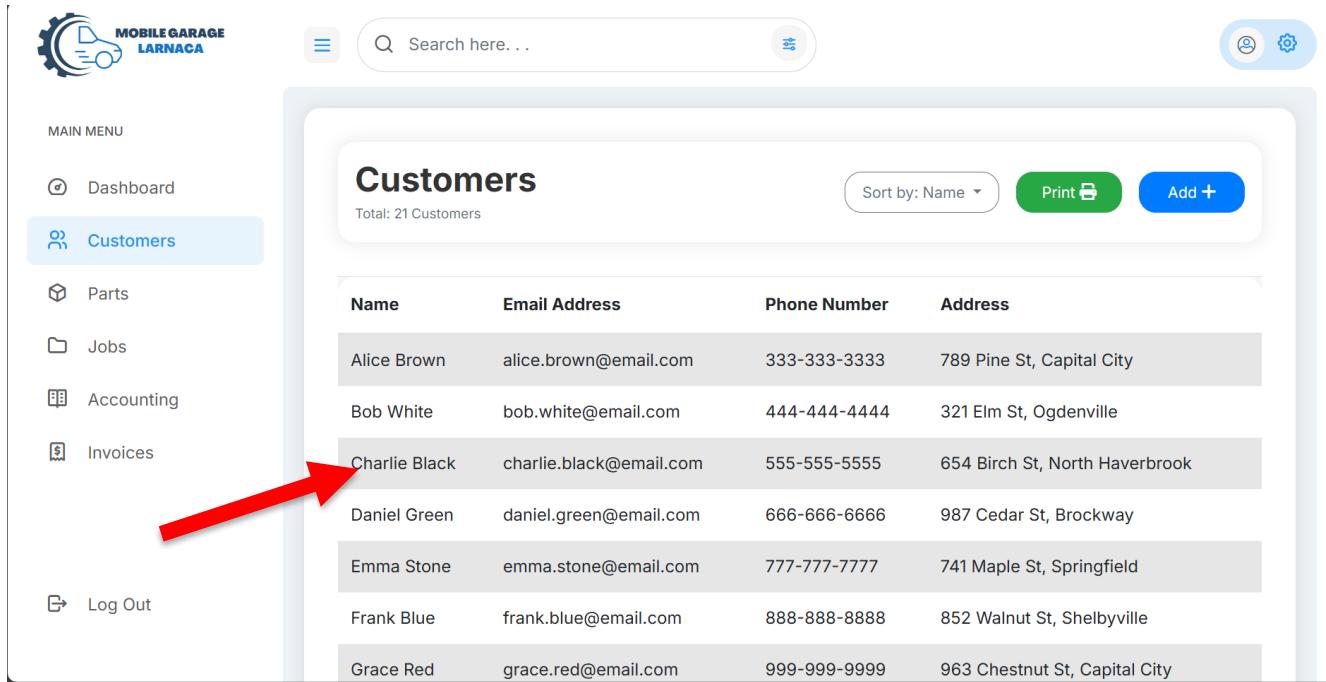

The image shows a screenshot of a web application interface. On the left, a dark gray print dialog box is overlaid on the main content. The dialog box has fields for 'Printer' (set to 'Microsoft Print to PDF'), 'Copies' (set to '1'), and 'Layout' (set to 'Portrait'). At the bottom of the dialog are two buttons: 'Print' (highlighted with a red arrow) and 'Cancel'. The main content area to the right is titled 'Customer List' and displays a table of customer information. The table has columns for ID, Name, Email, Phone, and Address. The data is as follows:

ID	Name	Email	Phone	Address
1	John Doe	john.doe@email.com	111-111-1111	123 Main St, Springfield

3. After clicking on the desired part its information will be displayed like this:

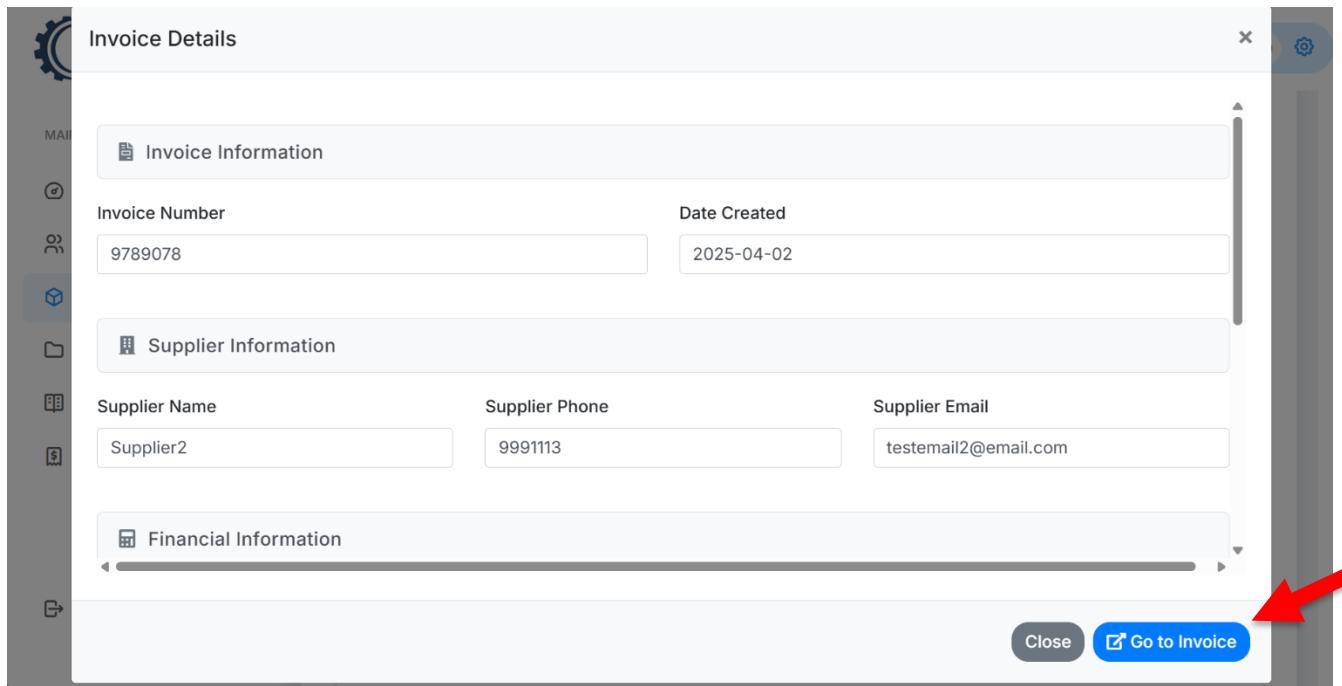

The screenshot shows the 'Parts Details' page. On the left is a sidebar with a car icon and 'MOBILE GARAGE LARNACA' logo, followed by a 'MAIN MENU' with options: Dashboard, Customers, Parts (which is selected and highlighted in blue), Jobs, Accounting, Invoices, and Log Out. The main content area has a search bar at the top. Below it is a 'Supplier Information' section with fields for Supplier Name (pampos), Supplier Phone (pomponiou), and Supplier Email (pampos@gmail.com). Underneath is a 'Part Information' section for an 'Air Filter'. It shows 'Purchased: 33', 'Stock: 33', and a total of '€863.94 total (incl. VAT)'. Below this, it shows '% VAT: 19.00%', 'Subtotal: €726.00', and 'VAT Amount: €137.94'.

4. If the part is associated with an invoice the details will contain an extra message.

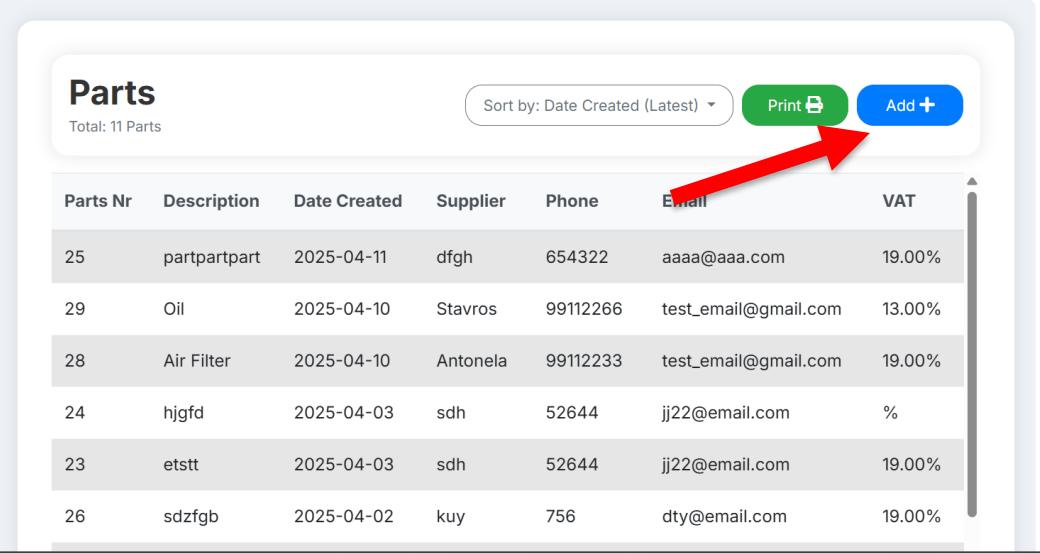

This screenshot is similar to the previous one but includes a red arrow pointing to a message at the top of the 'Part Information' section. The message says: 'This part is associated with Invoice #9789078 (created on 2025-04-02) [View Invoice](#)'. The rest of the interface is identical to the first screenshot, showing supplier and part details for an 'Air Filter'.

5. By pressing on view Invoice, the associated invoice will pop up as a modal. By pressing on “Go to Invoice” you will be redirected to the specific invoice in invoice management.

1. The pages show you the financials of your parts/job cards according to the months you choose. To apply the input months, click on “Filter”. In the lower part of the page the system calculated the total cost of the parts purchased /total profit of the jobs in the filtered period. By clicking on the part/job card the system redirects you to the correct management.

2. When you click on print the system opens this modal that allows you to print a list of the job cards/parts created or bought in the filtered period. The total price/profit is written in the lower part. To print click on “Print”. (The modal may look a bit different depending on the browser you are using).

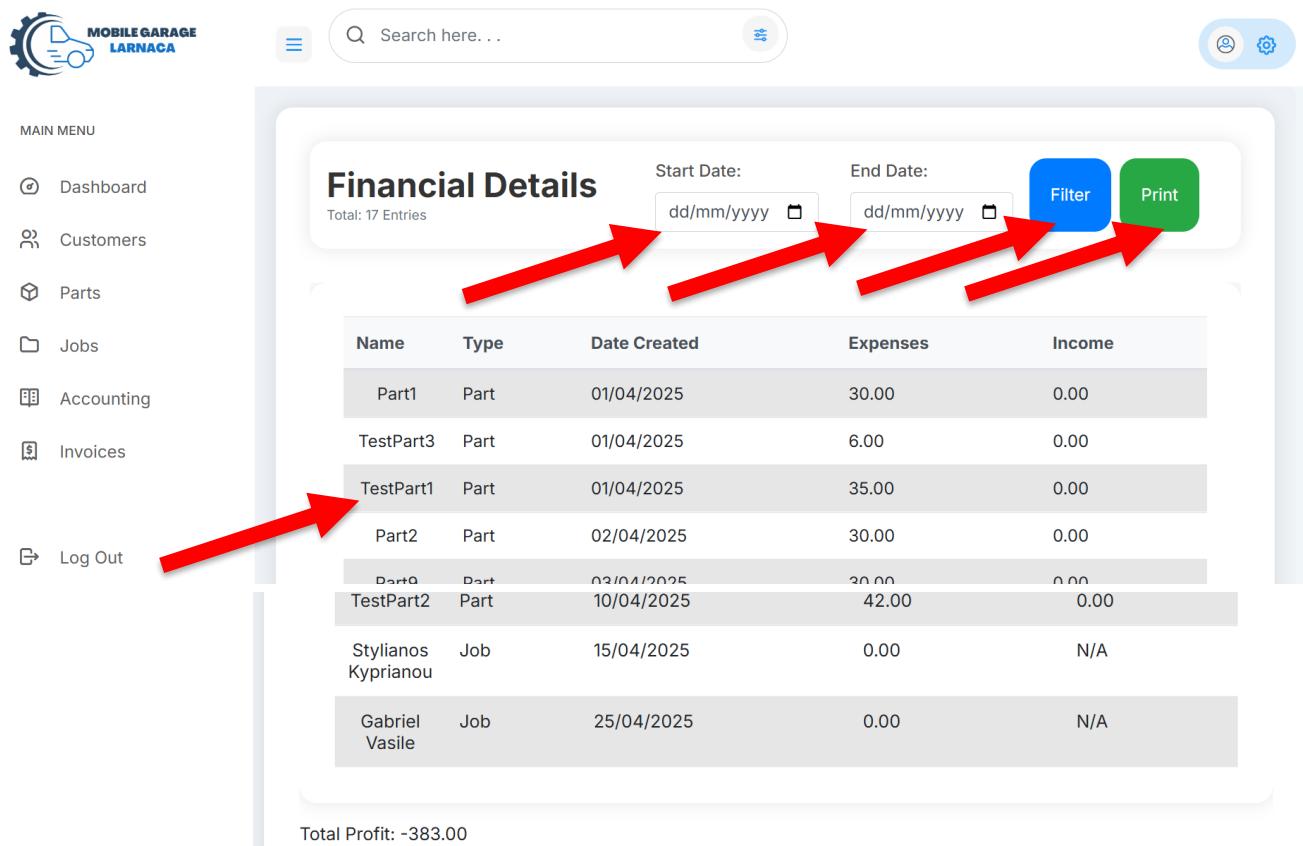

The screenshot shows a software interface for "Job Cards". At the top right is the "MOBILE GARAGE LARNACA" logo. Below it, a message says "Total Job Cards: 13". The main area displays a table with columns: Name, Job Start/End Date, Expenses, Income, and Profit. The data in the table is as follows:

Name	Job Start/End Date	Expenses	Income	Profit
	07/04/2025 - 08/04/2025	N/A	N/A	0.00
	02/04/2025 - 06/04/2025	N/A	14.00	14.00

	21/03/2025 - 23/03/2025	N/A	N/A	0.00

To the left of the table, a "Print" dialog box is open. It shows "Total: 1 sheet of paper". Under "Printer", "Microsoft Print to PDF" is selected. Under "Copies", "1" is entered. Under "Layout", "Portrait" is selected. Under "Pages", "All" is selected. A red arrow points to the "Print" button in the dialog box.

Finances-Detail

Once you click the Finances-Detail button you are redirected to this page:

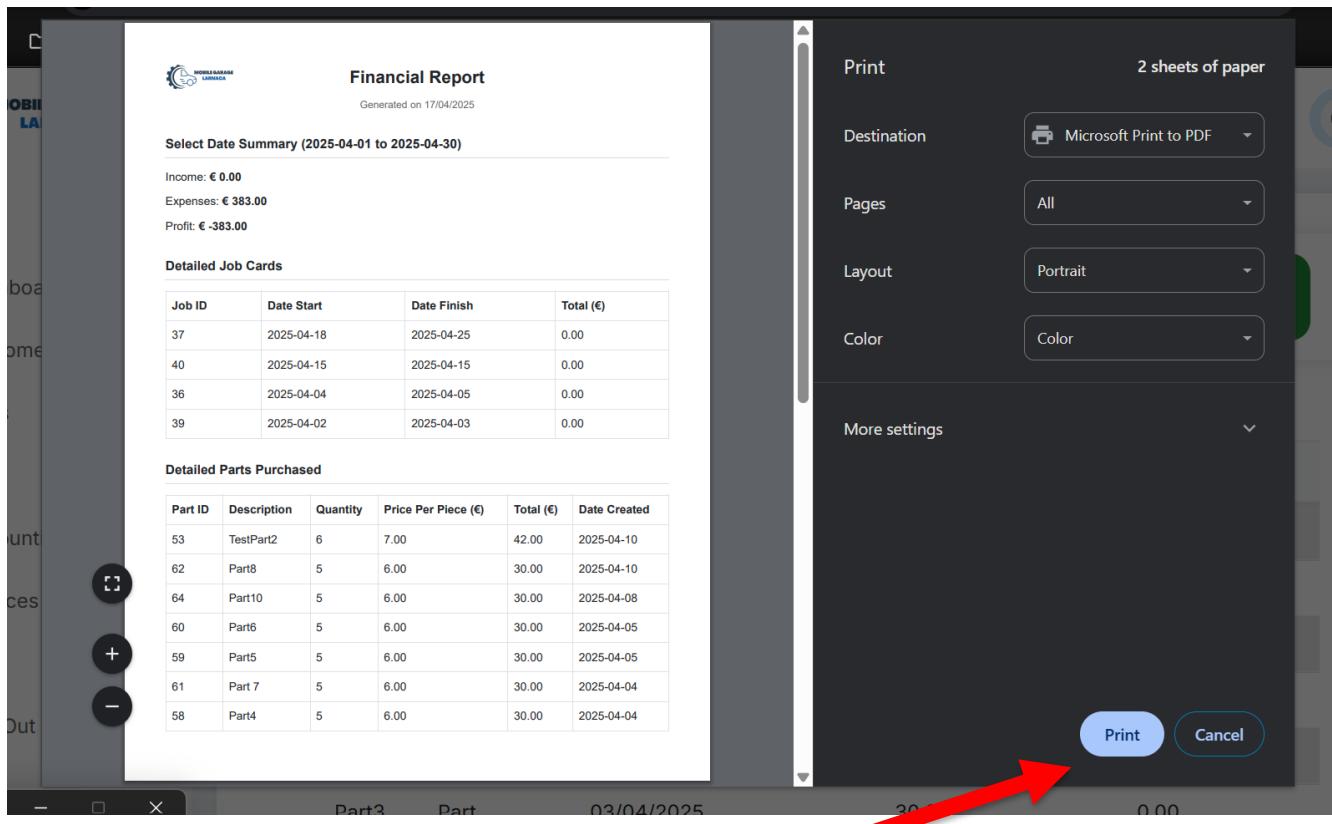

The screenshot shows the 'Financial Details' page from the Mobile Garage Larnaca application. On the left, there's a sidebar with a logo and a main menu containing links for Dashboard, Customers, Parts, Jobs, Accounting, Invoices, and Log Out. The main content area has a search bar at the top with placeholder text 'Search here...'. Below it is a section titled 'Financial Details' with a sub-header 'Total: 17 Entries'. It features two date input fields for 'Start Date' and 'End Date', each with a calendar icon. To the right of these fields are two buttons: a blue 'Filter' button and a green 'Print' button. A large red arrow points from the left side towards the search bar. Another red arrow points from the bottom-left towards the 'Filter' button. A third red arrow points from the top-right towards the 'Print' button. The main table lists financial entries with columns for Name, Type, Date Created, Expenses, and Income. The table includes rows for various parts and jobs, with some rows highlighted in grey. At the bottom of the table, it says 'Total Profit: -383.00'.

Name	Type	Date Created	Expenses	Income
Part1	Part	01/04/2025	30.00	0.00
TestPart3	Part	01/04/2025	6.00	0.00

Part2	Part	02/04/2025	30.00	0.00
Part3	Part	03/04/2025	30.00	0.00
TestPart2	Part	10/04/2025	42.00	0.00
Stylianos Kyprianou	Job	15/04/2025	0.00	N/A
Gabriel Vasile	Job	25/04/2025	0.00	N/A

Total Profit: -383.00

1. The pages show you the financials of the entire company (job cards, parts bought, additional expenses) according to the months you choose. To apply the input months, click on "Filter". In the lower part of the page the system calculates the total profit in the filtered period. By clicking on the part/job card the system redirects you to the correct management.

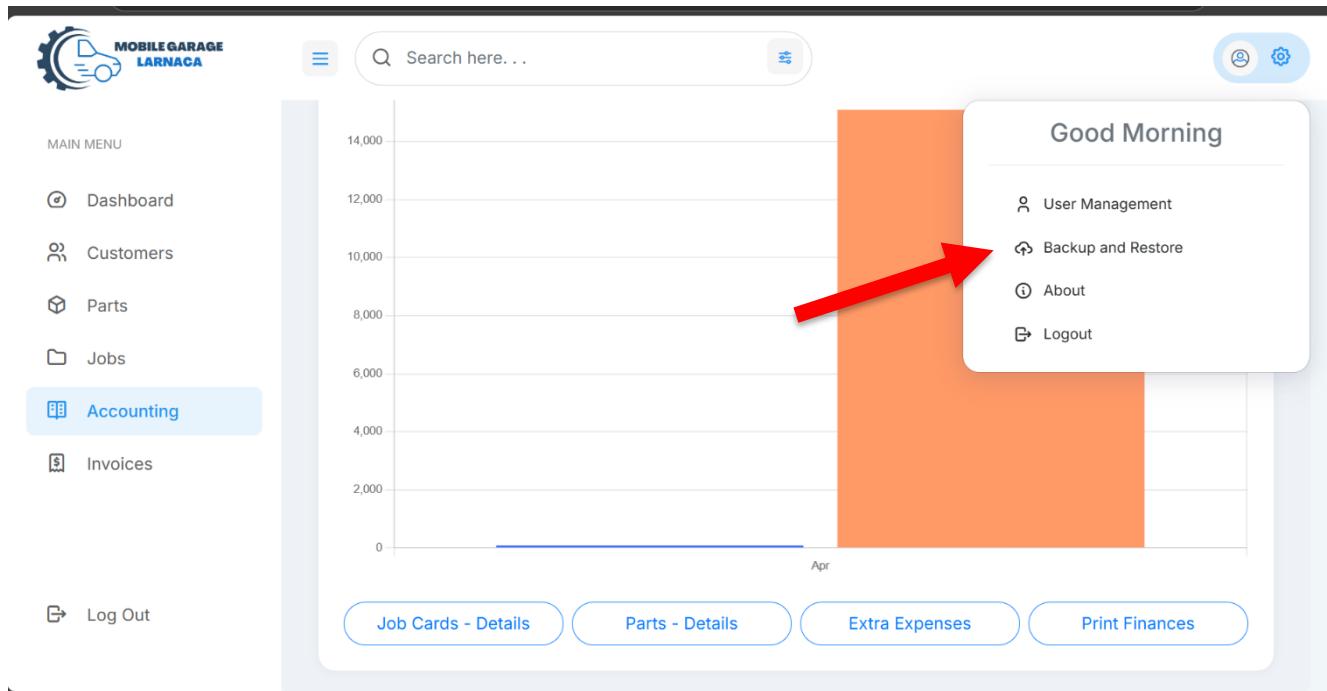

2. When you click on print the system opens this modal that allows you to print a list of the financials of the filtered period. The total profit is written in the lower part. To print click on “Print”. (The modal may look a bit different depending on the browser you are using).

Backup and Restore

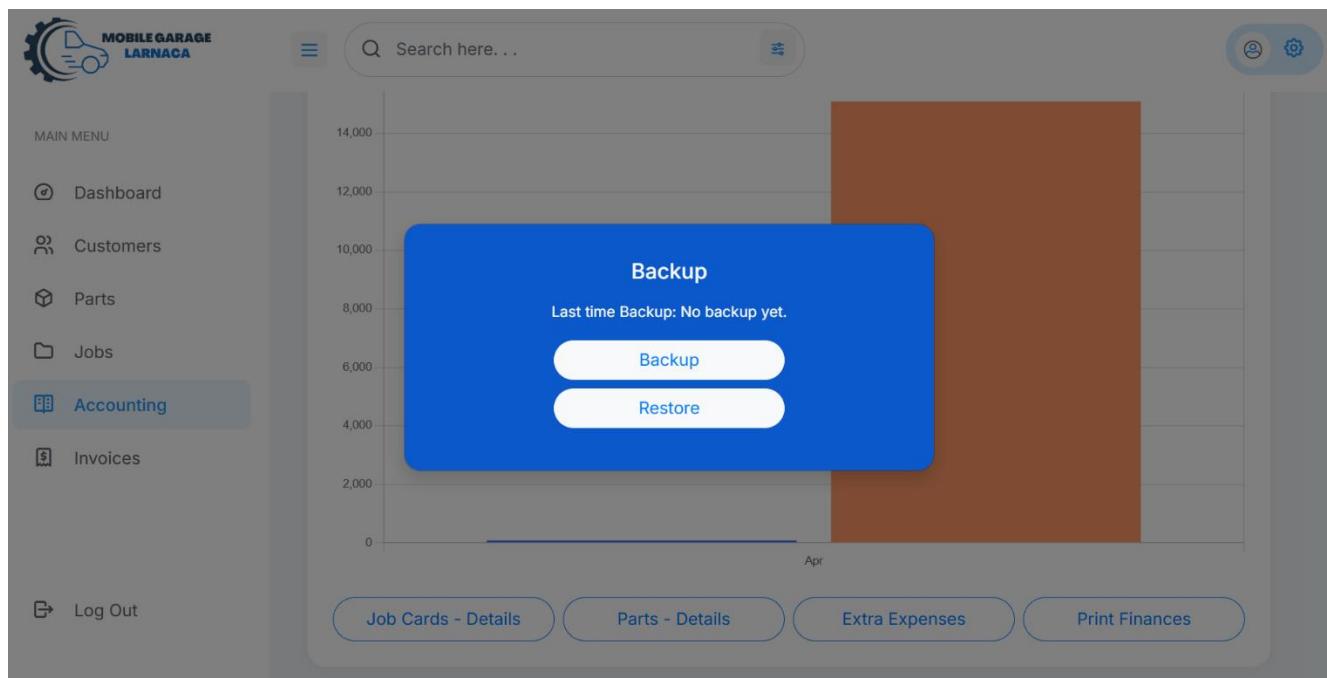

To backup your current database or restore the previous version follow these steps:

1. Click on “Backup and Restore”

The screenshot shows the software's main dashboard. On the left is a sidebar with 'MAIN MENU' containing links for Dashboard, Customers, Parts, Jobs, Accounting (which is selected), and Invoices. Below the sidebar are 'Log Out' and a gear icon. The central area features a chart with a single orange bar reaching up to 14,000 on the y-axis. At the bottom are four buttons: Job Cards - Details, Parts - Details, Extra Expenses, and Print Finances. On the right, a user profile icon and a gear icon are at the top, followed by a 'Good Morning' greeting and a dropdown menu with options: User Management, Backup and Restore (highlighted with a red arrow), About, and Logout.

2. Click on the Backup or Restore and the system will do the according function. A success or error message will inform you if the function was a success or not.

This screenshot shows a modal dialog box centered over the chart. The dialog has a blue header with the word 'Backup'. Below it, a message says 'Last time Backup: No backup yet.' There are two white buttons with rounded corners: 'Backup' on top and 'Restore' below it. The background of the main interface is dimmed, and the 'Accounting' menu item in the sidebar is also highlighted in blue.

Search Bar

The search bar remains the same in all managements, but it works independently only in the current management. Meaning if you are in Customer managements, the search bar will only work for customer-related searches. If you are in parts management, it will work only for part related searches, you can not search for a customer while being in the part management.

Sort

The Sort function exists in every management. It is correctly adapted in every management to fit its needs. By using it you can sort your list to your needs.
